CINDERELLA FUND

by the numbers

The Richmond SPCA's Cinderella Fund is the pool of resources that covers the medical treatment and rehabilitation of sick, injured and neonatal homeless animals whom we take into our care each year.

3,538

homeless dogs and cats benefited from the Cinderella Fund in 2025.

82%

of the 4,383 pets we cared for in 2025 required medical care beyond basic preventative care and spaying and neutering.

\$1,000,000

budgeted for delivery of veterinary care during our 2026 fiscal year.

All funds raised at the Richmond SPCA's Fur Ball directly benefit the Cinderella Fund. The Fur Ball attracts the most devoted animal lovers in Richmond. We are currently planning a spectacular evening at the Jefferson Hotel on November 7th to include a cocktail reception with a silent auction, a pet parade down the Grand Staircase, dinner, raffle and live auction. Your support will make a difference to thousands of vulnerable homeless pets.
